

FOR AUTHORS

The journal "[Economics and Computer Science](#)" (E-ISSN: 2367-7791) is a double-blind peer-reviewed online journal. The journal offers open access to its full content. The journal is published since 2015. The journal starts regular publishing – two issues per year (one issue in June and one issue in December). The journal regular publishing starts from year 2020.

The journal publishes original scientific articles in economics and computer science in English and Bulgarian language. Each article is reviewed by a member of the [Editorial board](#) and a prominent researcher. The editor-in-chief invites prominent researchers as guest editors. The journal has published several thematic issues – “Accounting”, “Logistics”, “Statistics”.

The authors of articles have to strictly obey the [Publication ethics and publication malpractice statement](#). Editors use antiplagiarism software (Advego Plagiatus, AntoPlagiarism.NET and other software) for checking each received article for reviewing.

All articles should have references in Roman alphabet. Articles have to be prepared with Word 2010 or higher version. Citations have to be inserted by the [Mendeley Cite-O-Matic plug-in](#) for MS Word. The bibliography should be made using the “Harvard reference format 1 (author-date)” style.

The author (authors) has (have) to format his/her/their paper according to the following [paper template](#). Papers are sent to the e-mails of the co-editors-in-chief (svetstefanov@ue-varna.bg and vasilev@ue-varna.bg).

The journal has no article processing charges (APCs) or submission fees.

The journal has regular publishing schedule (two issues – in June and in December) since 2020.

The journal is indexed in [RePEc](#), Scholar Google and [DOAJ](#).

The journal has applied for indexing in Scopus.

The articles in the journal are licensed under the **CC BY 4.0** [Creative Commons Attribution 4.0 International License](https://creativecommons.org/licenses/by/4.0/).

The authors of the articles retain the copyright. They are free to share (copy and redistribute the material in any medium or format) and adapt (remix, transform, and build upon the material for any purpose, even commercially) their articles. They are free to upload the PDF file of their articles in Scholar Google, Research Gate and other web sites for open science and online libraries.
